BETTER PACKAGING

Since 2021 we have reduced single unit plastic packaging and increased the amount of recycled content within these units.

BETTER TRANSPORT

We are striving to improve the way we import our goods into Europe and are working with key transportation partners to monitor and reduce the CO_2 levels we produce. We will always choose sea freight as our preferred method of transportation.

BETTER ENGAGEMENT

It's important to us to give back, which is why we donate and sponsor charities that benefit the communities where our products are made.

In partnership with the Jaago foundation, we sponsor a class of 40 children at the Jaago School Banani Branch in Bangladesh.

WHY WE'RE COMMITTED TO BETTER

By introducing better materials and processes into our supply chain we minimise the impact on the environment.

We are forward-thinking and fashion conscious, whilst working to be as environmentally responsible as we can be.

As a business we recognise and embrace the need for change in the industry and are very excited about the developments within our company.

What's new for 2027?

PREMIER®
UNIFORMS THAT WORK FOR YOU

2027 opens an exciting new chapter for Hospitalitywear with the launch of the 'Utility 2.0' Collection.

This modern, hard-working range blends iconic styles with durable, stay-sharp fabrics, bringing fresh energy to everyday uniform. Think core staples like jeans and tees built to perform in demanding environments, next-generation aprons, and easy layering pieces you'll want to wear beyond the shift.

At the heart of the collection is the **PR020 Oversized Tee** - the foundation piece and ultimate versatile base. Relaxed, modern and built to last, it works with the **PR022 Chore Jacket** and **PR021 Service Shirt** for smarter layering with a cool, street-inspired aesthetic.

Together with the **PR023 Ripstop** and **PR024 Vest Aprons**, 'Utility 2.0' is a capsule collection that makes front-of-house styling simple, using minimal pieces and neutral palettes to create a strong grounded look for your team.

Just as our 'Artisan Collection' redefined how hospitality teams dressed – the new 'Utility 2.0' Collection continues that evolution.
