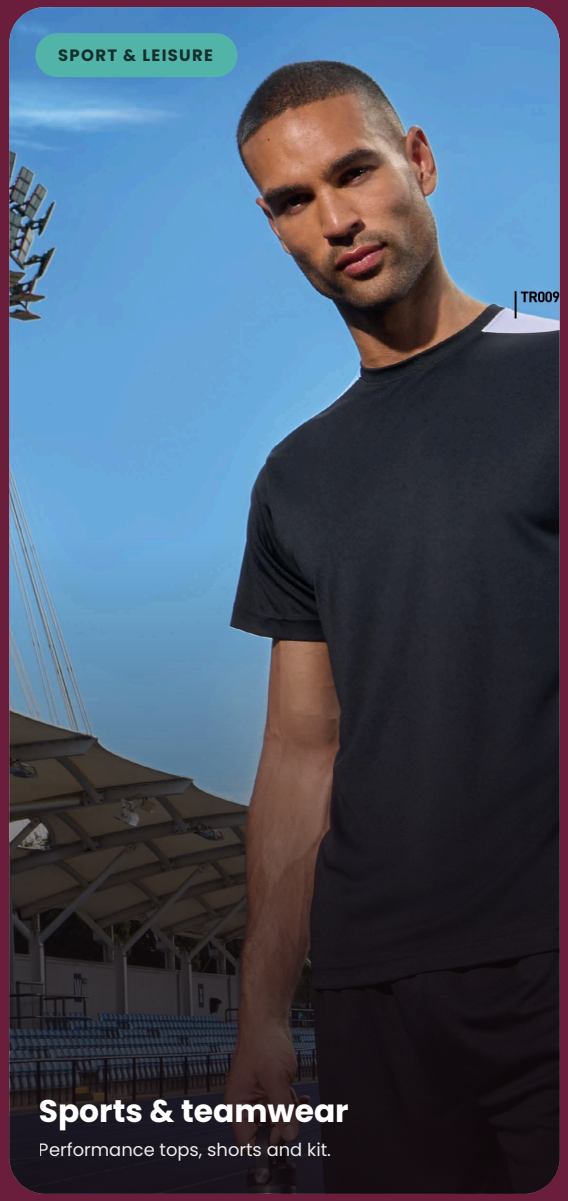
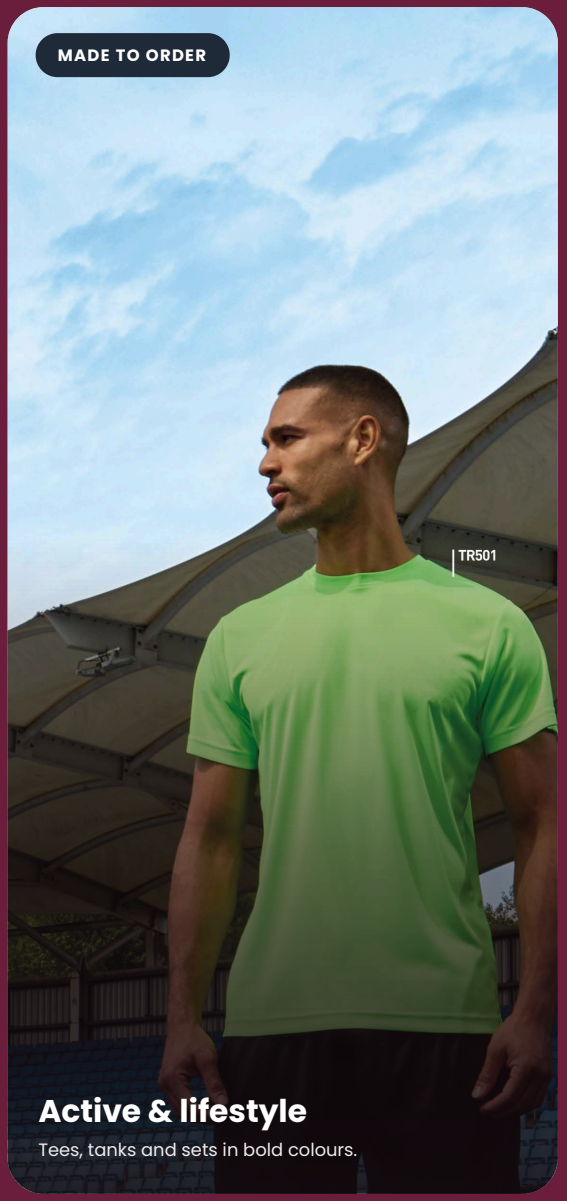
TriDri Sportswear & Lifestyle 2027

The TriDri collection of performance sportswear and everyday lifestyle pieces, from fleece, cotton tees and sets to leggings, jackets and kids' ranges.

Aimed at gyms, fitness studios, sports clubs, teams, events and leisure brands. Modern silhouettes move from active moments to daily life, in recycled and organic-cotton fabrics, and are made to be decorated with your branding.





Branded with your logo.
Pricing, artwork and delivery handled for you.

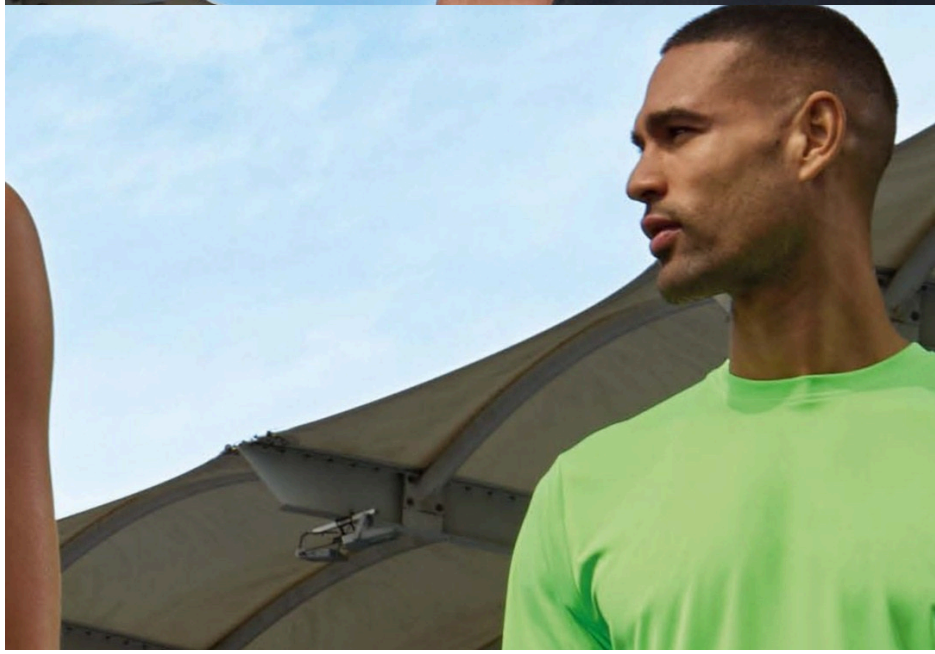
Email the studio hello@designandprint.studio

WHY BRANDED CLOTHING

WEAR YOUR **BRAND**

Clothing with your logo on it does more than keep people warm or smart. It tells customers who you are, makes a team look like a team and keeps your name in front of people long after the job is done.

LOOK AS ONE TEAM	Matching clothing gives staff, volunteers or members a smart, consistent look that customers notice.
GET NOTICED	Your logo travels with every wearer, so your name is seen at work, at events and around town.
TEAM PRIDE	People feel part of the team when they wear the same colours, and it is easy to see who is who.
ONE BRIEF, ONE CONTACT	Artwork, proof, decoration and delivery are managed together, and stored artwork keeps every repeat order consistent with the first.



Want your logo on these?

TR507

TriDri has evolved.

What began as a performance-driven sportswear brand is now a versatile lifestyle collection designed for everyday wear. Today, TriDri blends function with fashion, offering modern silhouettes that move effortlessly from active moments to daily life. Alongside technical polyester styles, the range now embraces fashionable cotton pieces, delivering comfort, style and practicality for every setting.

OUR COMMITMENTS

At TriDri, we prioritise top-notch performance while staying mindful of our planet.

We're excited to announce that we're incorporating sustainable materials to reduce our impact. Picture yourself in functional and stylish sportswear made from recycled polyester and nylon - materials that would have ended up as waste! But we're not stopping there. We're also sourcing organic cotton, which reduces the impact to the environment by using less water and no harmful chemicals. Not only that, but we are now 'Global Recycled Standard' and 'Recycled Content Standard' certified on our recycled products as well as 'Global Organic Textiles Standard' and 'Organic Content Standard' on our organic cotton products, meaning you can be confident that these styles are manufactured to the highest standards.

ION-CHARGE

POLO

TR505
TRIDRI® ION-CHARGE PANELLED POLO

The TriDri® Ion-Charge panelled polo is designed for the athlete who desires performance without compromising on style. With built-in wicking properties and UPF 40+ protection, it keeps you dry, comfortable and covered throughout the day. As part of the Ion-Charge range, this performance-ready style has been dyed with cationic dyes, so there's zero risk of dye migration, as well as high resistance to fading, bleeding and staining – especially beneficial for active individuals who demand durability in their sportswear or workwear.

FABRIC & WEIGHT 83% Recycled Polyester, 17% Polyester, 135gsm

PRINT-READY SLIDERS

TR702
TRIDRI® PRINT-READY SLIDER

Introducing the TriDri® Print-Ready Sliders. Designed with a super-soft base thats moulded for a comfortable fit, these sliders come with the strap and sole seperated for ease when decorating. Be sure you have the TR703 Slider Tool as once you have printed the straps flat it's then time to attach your soles. This new design takes personalisation to the next level.

MATERIAL Sole: EVA, Upper: PU & EVA & Fabric

SIZES 3-4 (35/36) – 11-12 (45/46)

TR703
TRIDRI® PRINT-READY SLIDER TOOL (PAIR WITH TR702)

The TriDri® Print-Ready Slider Tool has been created to be used with the TR702 Print-Ready Sliders. These sliders are a printers dream with the strap coming seperated from the sole meaning they can be printed flat and then attached with your handy tool. The tool works by helping pull the toggles on the straps through the soles inserts.

MATERIAL Plastic handle: HIPS Plastic, Metal Loop: steel wire
