WHY BRANDED CLOTHING

WEAR YOUR **BRAND**

Clothing with your logo on it does more than keep people warm or smart. It tells customers who you are, makes a team look like a team and keeps your name in front of people long after the job is done.

Uniforms, workwear, hoodies, polos, caps and jackets carry your name wherever they go: on the shop floor, on site, at events and out in the street. Whether you are dressing a few staff or a whole club, school or crew, branded clothing gives everyone the same professional look and takes the guesswork out of what to wear.

Design & Print looks after the whole job. Phil prepares your artwork, sends a proof for you to approve, arranges printing or embroidery on the styles you choose and manages delivery. You brief once and finished clothing arrives ready to wear.

LOOK AS ONE TEAM	Matching clothing gives staff, volunteers or members a smart, consistent look that customers notice.
GET NOTICED	Your logo travels with every wearer, so your name is seen at work, at events and around town.
TEAM PRIDE	People feel part of the team when they wear the same colours, and it is easy to see who is who.
ONE BRIEF, ONE CONTACT	Artwork, proof, decoration and delivery are managed together, and stored artwork keeps every repeat order consistent with the first.
